

## Telligen Summer Blockbuster Sustainability Events

**Summer is just around the corner!** Now is the time to plan for continuing education. Telligen makes it easy to deepen your professional expertise with its series of **Summer Blockbuster Sustainability Events**.

These one-hour webinars with nationally known experts delve into a variety of long-term care specialties:

- Learn pressure ulcer staging and how to differentiate pressure injuries from other skin injuries
- Prepare for Patient-Driven Payments with Minimum Data Set (MDS) coding instruction for skilled nursing facilities
- Gain practical strategies to reduce employee absenteeism, engage staff and improve care
- Discover new methods to encourage positive interactions with people living with dementia

Make the commitment to sustainability this summer. Space is limited and registrations will close when capacity is reached.

**Register today to reserve your spot.**

**Contact the [Telligen QIN-QIO Nursing Home Quality Improvement team](#) for more information!**
