

CMDA'S 28th Annual Conference PALTC 2023: Stronger Than Ever!

CMDA—The Colorado Society for Post-Acute and Long-Term Care Medicine

Friday, April 28, 2023, at the Denver PPA Event Center

January 2023

Dear Exhibitors and Sponsors:

For the 28th year, CMDA – The Colorado Society for Post-Acute and Long-Term Care Medicine (PALTC) is presenting its annual conference highlighting the highest quality of care in PALTC. ***PALTC 2023: Stronger Than Ever!*** will be held on **Friday, April 28, 2023, from 7 a.m.-5 p.m.** at the Denver PPA Event Center, 2105 Decatur St., Denver, CO 80211.

Each year, CMDA hosts expert presenters on the most salient issues in PALTC. Medical providers, medical directors, surveyors, directors of nursing, administrators, and other LTC professionals will gain valuable knowledge impacting the daily care in PALTC settings. Our providers have experienced devastating losses and have shown amazing resilience during the COVID-19 pandemic while caring for the most vulnerable people in healthcare. This conference is an opportunity to come together, stronger than ever, as a community.

This year, we are proud to partner with the University of Colorado Anschutz School of Medicine Division of Geriatric Medicine to share knowledge and expertise. Several University of Colorado faculty will be presenting at this year's conference, including the new Division Head of Geriatrics, Cari Levy, MD, PhD, CMD, a past president of both CMDA and AMDA.

CMDA will adhere to the Colorado Department of Public Health and Environment recommendations for COVID-19 safety for in-person events. The event center features ample parking, several nearby hotels (Fairfield Inn & Suites by Marriott Denver Downtown, Hampton Inn & Suites Denver - Speer) and a convenient RTD stop, Empower Mile High Station.

Exhibit times: 7-8 a.m. Breakfast; 9:55-10:20 a.m. Break; 11:50 a.m.-12:55 p.m. Lunch; and 2:05-2:30 p.m. Coffee. Please be aware that it is our policy not to share attendee's contact information with exhibitors.
